**PROTECTIVE OBJECTION OF SIMPSON AUTOMOTIVE GROUP, INC.
TO DEBTORS' PROPOSED CURE AMOUNTS**

Simpson Automotive Group, Inc. ("Simpson Automotive") files this protective objection regarding cure amounts proposed by the Debtors with respect to executory contracts they propose to assume and assign. In support of its protective objection, Simpson Automotive states as follows:

1. Simpson Automotive is a party to an executory contract with one or more of the Debtors.

2. By Notice dated June 5, 2009 (the "Assumption Notice"), the Debtors informed certain suppliers of goods and services of their intent to assume and assign executory contracts and of the cure amount, if any, that must be paid by the Debtors in connection therewith.

3. Simpson Automotive may or may not have received a copy of the Assumption Notice. Simpson Automotive is filing this protective objection in an abundance of caution in the event that the Debtors intend to assume and assign Simpson Automotive contracts but scheduled a cure amount with which Simpson Automotive does not agree.

4. Simpson Automotive will work diligently with the Debtors to try to resolve any cure amount issues without Court intervention but reserves all rights in the event that an agreement cannot be reached.

Dated: June 19, 2009

Respectfully submitted,

VENABLE LLP
